January 16, 2008
Honeycomb Restaurant

Those in attendance were Wes Kluck, Al Lynch, Jerry Simmons, Tom Calhoon, Jim Andrews, Cindy McDill, Donna Hilton, Carrie Roberson, and Shelly Loe.

The meeting was called to order, and the minutes of the previous meeting were reviewed and approved.

The largest portion of the meeting was devoted to the prospect of acquiring grant funds to conduct a countywide study of housing needs. Shelley Loe of Southern Financial Partners agreed to locate prospective research firms, and Tom Calhoon agreed to contact Ed Bee for suggestions.

The group agreed that the next meeting would be held February 20, 2008, with a portion of the meeting dedicated to collectively deciding what we hope to learn from this study.
