

Leadership Sub-committee
Leadership Evaluation of Vision Elements as stated in the CCSP in
January 2007

As of 12 FEB 07

The Vision Elements for Clark County were rated by the Leadership Sub-committee in light of importance as they relate to the Leadership Sub-committee.

The ratings ARE NOT intended to be viewed as to the level of importance to the community or any other sub-committee.

It is understood that through further clarification of the Vision Elements, ratings may be adjusted as they relate to the importance to the Leadership Sub-committee.

The ratings are listed as one-(1) being of low importance and a ten-(10) being of a very high importance.

Rating 1-Low, 10-High	Vision Element
