

# **MEETING MINUTES**

## **New Airport Development Group Meeting April 1, 2008**

---

### **SUMMARY**

Representatives of various local organizations met for a lunch meeting in Arkadelphia on Tuesday, April 1, 2008 to discuss the feasibility of constructing a new airport as part of the Clark County Strategic Plan. Discussion centered on necessary elements of a feasibility study that will be used to campaign for federal and state funding.

### **ACTION ITEMS**

#### **→ Garver Engineers**

- Send e-mail with meeting minutes and contact info to all attendees
- Send draft letter to all for survey of possible users of new airport
- Develop tiered scope of work to review with Committee, then set fee
- Suggest future meeting date

#### **→ Others**

- Hank and Troy: Forward summary of HSU planned aviation program expansion to Garver
- Verbal communication with industries, businesses, tenants, and Chamber of Commerce on possible users of the new airport
