Neeka Richardson
Alpine
Chambers Bank
Vice President

Joyce Palla
Manchester
Retired
Former gift shop owner

The Economic Development Corp. of Clark County met last Tuesday at Dawson Education Cooperative for the first time under its new bylaws, which allow the number of voting board members to increase from five to 15. County Judge Ron Daniell told the Clark County Quorum Court in a recent meeting that he "studied" the list of those he suggested to be on the 15-member voting board for EDCCC to ensure that each corner of the county has appropriate representation.
