REF: Grant to Petit Jean Poultry to purchase Water Filtration System.

Mr. Goza,

On behalf of Petit Jean Poultry I want to thank you and the entire EDCCC Group for your involvement in the Grant used to purchase the Filtration System from Tencarva Machinery Company for our facility here in Arkadelphia.

I am hopeful that this piece of equipment will greatly reduce any "down time" we might have due to the water coming into our facility not meeting the standards set by the USDA.

Sincerely,

Ronnie Farnam
Plant Manager
Petit Jean Poultry
